

GEORGE ASTASHENOK

@George_G_G | george.astash@gmail.com | [Linkedin.com/george-ast](https://www.linkedin.com/george-ast)

QA Engineer with 5+ years of experience in end-to-end testing of web, mobile, CRM, and E-commerce platforms within **Agile/Scrum** environments. Skilled in building test strategies, UI/API test automation, and release quality management. **Actively leverage AI tools** to streamline test case creation and requirements analysis, boosting productivity by 30%. Proven track record of leading QA processes, **mentoring junior engineers**, and focusing on root-cause analysis to deliver high-quality, user-centric software.

Experience Jun 2021 — Present

QA Engineer · [AVADA MEDIA](#)

- **Executed end-to-end, regression, and UAT testing** for web and mobile platforms, ensuring stable release delivery and high quality standards.
- **Mentored 3 junior QA engineers**, facilitating fast onboarding, and process training, which improved team overall productivity.
- **Developed UI and API automated test suites** using Python, PyTest, Selenium, and Requests, **reducing regression execution time by 35%** and saving ~10 hours per release cycle.
- **Configured and managed isolated test environments** using Docker Compose, simplifying local deployment and branch testing for the team.
- **Conducted thorough API testing and network traffic analysis** using Postman, Swagger, DevTools, and Burp Suite; performed baseline load testing via Apache JMeter to identify performance bottlenecks.
- **Designed and standardized QA documentation** (Test Plans, Test Cases, Checklists) in TestRail and Confluence, improving requirement coverage and process transparency across teams.

Education & Certificates

- Hillel IT School - QA Automation Python - **Jun 2024 - Nov 2024**
- Odesa National University of Technology - Master's Degree, Research engineer (Technologies of grain and grain business) - **2011 - 2017**
- Specialist Degree, Business economics and control - **2015 - 2018**
- IT specialists training center ActPro - **Jan 2021 - Apr 2021**

Skills & Tools

- **Testing:** Web & Mobile, Functional, Regression, UAT, Smoke, Exploratory, Cross-browser.
- **Automation:** Python, PyTest, Selenium WebDriver, Requests, Appium (Basic).
- **API & Network:** Postman, Swagger, DevTools, Burp Suite.
- **Infrastructure & Data:** Docker, Docker Compose, Git, CI/CD, SQL, Apache JMeter - Basic.
- **Management & Docs:** Jira, Confluence, TestRail, Test Plans & Cases, Agile/Scrum, Teamwork.
